

# **HL7 Europe WGM in Lisbon: a preview**

Webinar, 19 December 2024  
15:00-16:00 CET

Online on Teams

A panoramic view of a Lisbon neighborhood at dusk. The foreground is filled with the red-tiled roofs of various buildings. In the middle ground, a large, multi-story yellow building with several windows stands out. In the background, a large, ornate dome, likely of a church or cathedral, is illuminated with a warm yellow light. The sky is a mix of blue and orange from the setting or rising sun.
